

# Learn On Demand & On The Go

---

Stream or download online video tutorials on your mobile devices, computers & smart TVs.

## Smart TVs | Streaming

Download the Lynda.com app from the app store on your Apple TV or Roku TV and follow the set up instructions on the screen. You will need your library barcode & pin.

---

## Browser | Streaming

1. Go to your library website.
  2. Select eResources (from the menu bar)
  3. Select Lynda.com
  4. Enter your library barcode & pin, and select Login.
- 

## Computer | Downloading

1. Go to <https://www.lynda.com/apps/desktop-app> and download the free program for your computer.
  2. Follow the steps to login on a browser.
  3. On the Lynda.com software, select **Connect** under 1-click login.
  4. You can browse on the software and download videos OR you can use a browser and select **View Offline & Start the Download**.
- 

## Mobile Device | Downloading

1. Download the Lynda.com app on your Android and iOS device.
2. Open the Lynda.com app.
3. Select **Already a member?**
4. Change the tab from **Individual** to **Organization**.
5. Locate the section called **Web Portal** and type in **peacelibrarysystem.ab.ca**
6. Enter your library barcode & pin, and select Login.
